Experience

VITrendZ — Full Stack Web Developer   *October 2024 - Present*
VIT Vellore
- Part-time web developer at VITrendZ, a student-driven community.
- Member of the core tech team in charge of overseeing managment of technical assets owned or operated by VITrendZ.
- Core member of the team tasked with re-developing the main website of VITrendZ.

SIAM-VIT — Core Member   *February 2024 - Present*
VIT Vellore
- Designed responsive UI for the MPL 2024 website using React, Bootstrap and CSS.
- Participated in preperation for Expos during Gravitas'24.
- Active member of the organization since the very beginning.
- Volunteered as Junior Core Organizer during Yantra'24.

Projects

Real-time Chat Application   *2024*
- Built a Discord-style chat application which works in real-time by communication via WebSockets. I also used stylized components from shadcn for better UI.
- It also has one-on-one video and audio call features powered by LiveKit's API.
- Frameworks/Libraries Used: NextJS, TailwindCSS, Prisma, PostgreSQL, Clerk, Livekit, shadcn.

Patreon Clone   2024
- Developed an application similar to Patreon which allows users to sign in, create their profile and make a payment to their favourite creator. The transaction is processed by RazorPay API and their payment gateway.
- Frameworks/Libraries Used: NextJS 14, MongoDB, OAuth, TailwindCSS, Razorpay API.
